

Dear Applicant

This is a real opportunity to lead our ambitious, open, dynamic college at the heart of this ambitious, open, dynamic new city. As a leader of place you can drive forward change and opportunity in Further and Higher Education and make a significant impact in Milton Keynes.

After seven years leading the College towards significant change and achievement, our highly valued Principal & Chief Executive Rob Badcock is retiring in January 2011.

We are seeking a leader who will seize the opportunities of this young, entrepreneurial, expanding city. With student success at the heart, you will be working in positive partnership with our committed Senior Executive team, the college staff, Governors and wider stakeholders to drive the ambition, achievement and skills of Milton Keynes and its wider region.

I am privileged to chair an energetic and committed Board who enjoy working with the Principal & Chief Executive and the Senior Executive Team. Together, we have developed a new modern approach to governance which has brought Governors and the senior team even more strongly together around our shared strategic focus and ambition, both for the College and for Milton Keynes.

Thank you for your interest and we look forward to hearing from you.
